Review of Minutes
Review Energy Education Minutes from April 3, 2007

Cory

Discussion took place on where would be the best place to hold meetings so everyone would have the opportunity to attend. The committee discussed the possibilities of York or Columbus.

Executive Meeting Notes

- Payments went out for membership

Follow-Up Surveys

- Rick had no new information on the follow-up surveys

The Juan Diego Forum

- 23 participants
- Language barriers

Winnebago

- Shirley will conduct the forums
- There will be a possibility of 40 kits available

Nebraska Energy Burden Study

- The Energy Burden Study has been approved
- Research must stay within the metro area
- They did not approve the survey going statewide
- Judy will give an update at the NEAN meeting

Mission of the Education Committee

Pete-

The mission of the Education Committee is to motivate Nebraskans to practice energy conservation by:

- Installing energy efficiency measures where possible
- Becoming knowledgeable in low or no cost methods to reduce energy consumption

Rick-

Development and promotion of programs to educate Nebraskans in accomplishing energy conservation.

Discussion took place with (optimizing their energy use) and (using energy wisely). The committee also discussed in great detail the use of the word conservation vs. efficiency.

The Mission of the Energy Education Committee is to motivate Nebraskans to use energy wisely.

Values

Nebraskans practice energy efficiency.

Notes from Judy

The Energy Burden Study was approved with some conditions.

- Focus on Omaha Metro area
- Judy would like to look at rural vs. urban
- Subject to limitation to service territory

Next meeting

NEAN meeting will be held June 14 at UNL East Campus Union Bldg.

Energy Education Committee meeting, June 14, 9:15 a.m., (prior to NEAN meeting)
