Interested parties are invited to join us and learn how we can work together to meet the mission of the Nebraska Energy Assistance Network: To assist Nebraskans with their energy needs through education, advocacy and partnerships.

Live Meeting information:

In regards to other non-NPPD sites for the NEAN meetings, have we got a deal for you.

NPPD is using what we call Live Meeting now that along with the conference call a participant can be sitting at their desk tied in on-line to the Live Meeting, which allows the participants to see whatever presentation is being presented as well as be on conference call. The only thing you would be missing is to see the individuals at the various video conference sites.

So if you are on-line and have telephone we can tie you in to the NEAN meetings as well as do the video conference and perhaps the day will come when we drop the video conference in-lieu-of the Live Meeting/Conference Call.

A lot depends on the comfort level that might be lost in actual contact or at least visual contact.

We are working to make this an option for the Oct NEAN video conference meeting, but for sure if we don't get to Live Meeting we can definitely offer the conference call option.

Here is what those that want to tie in with conference call need to do:

Dial in number: 866-331-0889
Participant code: 809420

Then this is the link to the Live Meeting: **Join the NEAN Meeting <<https://www.livemeeting.com/cc/nppd/join?id=NEAN&role=attend&pw=F%26%298%7DPbTZ>>**
(just copy & paste on meeting notice)

My understanding is that you need to be using Microsoft Office to use Live Meeting so, If Live Meeting is not installed on your computer, please install it here:

<http://office.microsoft.com/en-us/help/HA101733831033.aspx>

I am sure we may encounter some minor issues the first time we try this but if we are willing and patient it could prove to be a vital link for the diverse group that we are in the NEAN.

If you all are willing to try this all for the Oct NEAN meeting, please add the information and links to the meeting notices and let me know if any questions or comments, thanks.
